**EXPERIENCE** | **WEB DEVELOPER CITY OF PHARR TEXAS**

08/2015 – PRESENT

As the lead web developer at the City of Pharr I am responsible for building new WordPress based websites for departments within the city government. I am also in charge of maintaining the current websites which are also built on the WordPress CMS. On a daily basis I switch in between working on a project to working on and closing a work order (“usually updating or adding new and current information to the main city government website.”).

**FINANCIAL AID TECHNICIAN SOUTH TEXAS COLLEGE**

05/2011 – 08/2015

As a financial aid technician I am in charge of running the only financial aid office out of the Nursing and Allied Health division for South Texas College. My daily tasks include helping students with their FAFSA applications, giving students information regarding their FA accounts and status, taking in and processing documentation, do student’s degree audits, attend division meetings, and report to my coordinator.

**EDUCATION** | **SOUTH TEXAS COLLEGE, MCALLEN TEXAS**

ASSOCIATE OF APPLIED SCIENCE – MULTIMEDIA SPECIALIST

I graduated with my associate degree in business computer systems in December of 2014 with a GPA of 3.21.
